

Team Hadley Rae Golf Tournament

Rusted Rail Golf Club

1:30 PM Shotgun

1602 US-175
Crandall, TX 75114

Saturday October 6, 2018

Hadley Daniel, the daughter of Brad and Emily Daniel, is a spunky, full spirited 5- year old who loves to play outside with her older siblings, tumbling in gymnastics, going to school seeing her friends, and playing with her Barbie dolls.

On May 15 of 2018, her parents took her to the doctor for what was thought to be a typical childhood illness. Upon examination they were asked to go to Medical City of Dallas for more tests and was later diagnosed the same day with Acute Lymphoblastic Leukemia. A cancer diagnoses that will require numerous treatments of chemotherapy, blood transfusions, hospital stays and life altering changes for her whole family. This active little girl, will soon be 6, has to remain in doors in attempt to stay healthy during this long road ahead.

There are many ways to participate including hole sponsorship, score board sponsorship, team sponsorship, donating door prizes and of course PLAYING GOLF! Join the TEAM October 6th for golf, fun and most of all, a great cause! **Thank you for your support, and we look forward to seeing you.**
